

2010 All-American Prospects

Baseball Hit-A-Thon

Dear _____:

The All American Prospects would like to announce our 2010 Hit-A-Thon. This is an event we have put together to help raise money for our non-profit organization that assists high school student-athletes throughout South Florida to obtain scholarships to continue their baseball careers at the collegiate level. During the past five years we have helped more than 125 players earn scholarships to play baseball at schools such as Miami, Florida, Florida State, FIU, Florida Atlantic, Stetson, South Florida, Vanderbilt, Duke, North Carolina, North Carolina State, Louisiana State, and Arizona State. As a non-profit organization, we depend on donations from people like you to cover our expenses in attending the numerous high profile summer events that put our players in front of the nation's top college recruiters and scouts. To that end, each player in our organization has submitted a list of names of individuals whom they believe to be generous enough to help us, help them. There are several donation options.

Option 1 encourages you to pledge a certain amount of money per foot for the ball hit furthest by your player during our Hit-A-Thon. Just check off an amount below you wish to donate for each foot the ball travels and mail (see address below) or email the completed form to allamericanprospects@yahoo.com. We will send a confirmation via mail or email as to the results of this year's Hit-A-Thon or you can check our website at www.aaprosects.com for the final results.

Option 2 is a flat donation chosen by you (we suggest \$30), although you are free to provide any donation you are comfortable giving. All donations are greatly appreciated. All donations are tax deductible and we greatly appreciate your support of our fine student-athletes and our non-profit organization. Please use the bottom of this form as your receipt and proof of your donation.
